

**VISIT OUR ARTISTS AT THE HISTORIC KNOCK SCHOOL**

7756-10 SD RD. AT 9TH LINE, INNISFIL  
Dating back to 1902, this one-room schoolhouse was in use until 1965. Next, the building became a hub for the Knock community for parties, card playing, quilting bees and more until the 1990s.

The Town of Innisfil took ownership and, in 2007, the building was renovated and became known as the Knock School Heritage Site and is fittingly home to the Innisfil Historical Society.

## Innisfil Youth ART SHOW

Enjoying its 5th year, the Youth Art Show celebrates the talents of our youth in Innisfil.

We have invited students from elementary and secondary schools in the area to participate - some as artists who will submit their works to a panel of local artists for adjudication, others to help plan and promote the event.

Our hope is to give the next generation of artists an opportunity to display and maybe even sell their work in our studio tour.

Their work will be on display at various branches of the Innisfil **ideaLAB & Library**.
